# Assembly Instructions

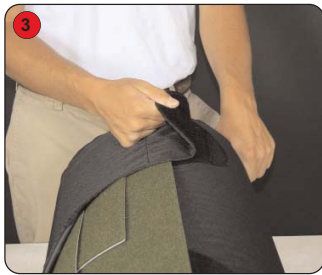

Kit includes: (A) Fabric/graphic panels (B) Lights (C) Channel Bars (D) Coyote Popup (E) Frame and Channel bar bag (F) Panel Wrap

1 Here is the Coyote Tabletop packed up.

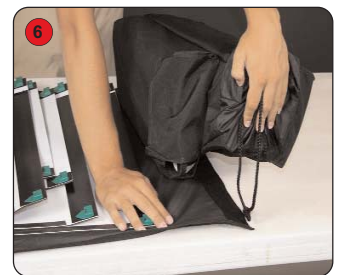

2 Pull out the Panel Wrap from the outer case.

3 Open the wrap using the Velcro.

4 Unroll it all the way.

6 Tear off the bag that is attached to the end of the wrap.

7 Pull out the lights from the side pocket of the bag.

8 Pull out the channel bars from the other side pocket.

9 Then, pull out the Coyote unit.

10 Lay the Coyote on its side and pull up on it.

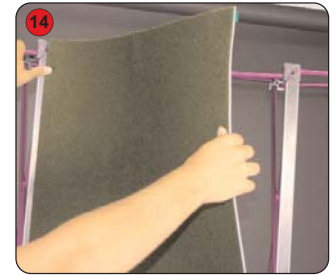

11 Open it all the way until the arms lock.

12 put the channel bars on the frame. Cover the front, and the two back corners.

13 Hang the panel using the hooks on top of the unit.

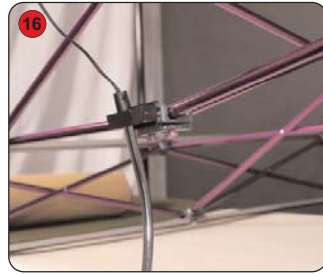

14 Attach the main panels.

# Assembly Instructions

Slide the lights onto the hub on top of the Coyote.

Here is the finished Coyote Tabletop Mini. To pack it up again, follow the instructions in reverse order.
