Deluxe Traveler Banner Stand

1. Connect upright together by aligning tube sections, then slowly allowing shock cord to pull tube sections together.
2. Push down on button located on base sides and join the base crossbar to the base sides.
3. Push down on button located on base stem, then slide upright over base stem until push button clicks into place. Repeat for the second upright.
4. Push down on button located on top crossbar half section and join it to the other top half section.
5. Push down on button located the top of the uprights, then slide U-shaped section over uprights until push button clicks into place.
6. Slide pillowcase graphic over frame to complete unit assembly (not shown).

NOTE: Model shown below may differ from your model, but assembly instructions remain the same.
